

***Thank you for participating in the “Twirls for Girls” drive!***

Please take your completed item to a designated “Toys for Tots” drop-off site before **December 9th** (a complete location listing is provided on the “Twirls for Girls” website). The organization asks that donated items are unwrapped. Since you will likely be dropping the items in a box, please put them in a clear sandwich bag or similar packaging to keep them clean and protected.

Please detach and include the donation form below to ensure that your items are paired with just the right doll or stuffed animal.

Please enter the appropriate size range in the in the blank. If you used the pattern(s) provided on the “Twirls for Girls” homepage, enter **14 - 19”**. If your clothing is made to fit a specific brand or type of doll, please provide that information in the blank. If you are submitting multiple skirts/outfits, please package them separately and include a submission form with each bag. Your generosity is very much appreciated! Have a wonderful holiday season!

---

This is new, handmade doll clothing that was designed to fit

\_\_\_\_\_dolls. Please match it with the appropriate  
(size range or type)

sized doll or plush animal so that the little girl who receives it will

be able dress up her new friend. Thank you!
